Welcome to Woodbourn Arena

Our first matchday programme at Woodbourn in 1992 is a new year double header; our afternoon of sport begins with the Eagles' under 19's Academy side taking on Leigh in the second division of the Rugby League Academy League and this is followed by the Eagles' Alliance team playing Leigh in the second division of the Rugby League Youngers Alliance League. Today, we welcome the players, officials and supporters of our two visiting teams and we wish them and our own teams and supporters a very happy new year.

Rugby League Academy

The new year promises much for the Eagles' Academy team who are now earning a fine reputation in the game for their fast free flowing style of rugby. Three of the team's players - Ryan Sheridan, Alex Thompson and Chris Price gained selection for the North East Academy representative team to play against the touring Moscow Magicians and Gary Cotterill, the team's loose forward, accepted a contract offer from the Eagles to follow Jason Davison as the second player to sign for his home town club.

The next Academy fixture is the cup game against Wakefield Trinity on Saturday 11 January, supporters should check with the Eagles' office for details of kick off time.

Youngers Rugby League Alliance

Earlier in the season the Eagles won 37-12 in a match which double-headed with the first team game. Hussein M'Barki achieved a unique double by scoring tries in both games.

Next month we have another meeting with the Crusaders, this time in the first round of the Alliance Cup. This match will be played over the weekend of 1 February 1992. Our next home fixture is against Doncaster on Friday 10 January, kick off 7.30pm.

After today's matches

The Alliance and Academy players will be going to The Eagles' Clubhouse (The Stadium, opposite the Arena) after today's games for their refreshments and all of our spectators are welcome to come along and join the teams there.
